

TEMPERANCE NEWS

April 2019

Greetings from Mrs. Copp

Spring is here and the school calendar is full! It's that time of year that gets so busy as the school year enters into the last nine weeks. Please check the school Calendar of Events for April to keep up with all the TES school activities.

Our Science Day on March 19 was a Big Success. We had all day science activities planned for the whole school. We thank our 4H instructors, Mr. Irvin and Mrs. McMillian, Enrichment/TAG Specialist, Mrs. Brown, our teachers, and our PTO for helping fund the Amazement Square Planetarium.

Students had so many learning opportunities throughout the day. They also had their Science Fair projects on display for all to see. There were so many excellent displays! It was a great day of learning that the students really enjoyed.

April begins our SOL simulation testing, which is testing prior to the SOL test that will help indicate strengths and weaknesses in the content areas. Teachers will provide remediation and reteach skills that need to be reinforced, in preparation for the May SOL testing.

Enjoy the Spring Break!
